“The Vessel” Dream

July 23, 2010

By Ernie Knoll

- In this dream, I am standing on the right side of a very beautiful and enormous vessel. I am unable to comprehend its width or length. The design and appearance speak of a divine love of infinite beauty. Its paint is the whitest of white—a white that no one on this earth has yet beheld. To add to its beauty, the paint has mixed in with its perfect ground up diamonds. Each speck of diamond was cut to perfection, allowing each ray of sunlight to show the diamonds’ beautiful colors of the rainbow. **The vessel has tires about as high as a three-story building and as wide as a one-lane road. The front right and left sides of this vessel each have 3 tires and 3 axles that are turned as if the vessel is about to make a right turn. The back right and left sides have 7 axles with 3 tires on each axle. I know that there is a total of 48 tires.**

I now see many people standing around, and I begin telling them that evil forces have desecrated this beautiful vessel. Drawing their attention way up on the side of the vessel, I point out lettering that is large and deeply engraved. **Once filled with 24-carat gold, the letters are now empty cavities that spell out “Seventh-day Adventist Church.”** I notice that all over the sides of this vessel, there is graffiti in the form of spiritualist symbols and pagan signs. I am calling out to all that this is a beautiful vessel and that we should all work together to remove the graffiti. I tell them that there is plenty of room for all inside and to not give up and walk away. I tell them the ticket to enter has already been paid; there is no charge. **I tell them we should all go inside of the vessel.**

The Astronomical High Sabbath List

In September 2010, John Scotram calculated all High Sabbaths in SDA church history, as in John 19:31. That led to a long list of years and feast codes that we call the High Sabbath List (HSL).

The list was based on the real divine calendar analyzed beforehand in the [Gethsemane](#) article series at LastCountdown.org.

This was a fulfillment of Ernie's dreams "Stand on the Truth" and "The Cross" and a partial fulfillment of the desktop calendar part of "Two Cars". This shows that **we have been nearing the final rapid movements since September 2010.**

The list reveals 7 periods of Adventist Church history that resemble the Orion study but give some additional dates. Some of those dates are: the beginning of the 1335 days, the date of the close of probation and the exact date of the coming of our Lord Jesus.

This finding was prophesied by the "Vessel" dream of Ernie Knoll as the following slides will show.

The Axles: 7 Periods of 24 Years in Average

Each period began with three years in which the Church made a turn because of a new doctrine. There were always three important years that caused the turn but there was only one “axle”, one important doctrine. Between 1841 and 2009 there were 2 right turns (positive) and 5 left turns (negative). The last three years of the Church 2010, 2011, 2012 each have 1 “axle” with a wheel on each side. This means three right turns to correct the false turns and put the vessel back on a straight course. 5 left - 5 right = straight course towards heaven.

The years 2010, 2011 and 2012 are in “front” of the vessel because Ernie dreamed this in 2010 and almost everything was in the future. The other 7 “axles” were behind because they are in the past. In the last three years of the Church as we know it, three important doctrines were given: 2010 - Orion = “axle 1”; 2011 - The Vessel of Time = “axle 2”; 2012 - The Justification of the Father and the consequences for the universe and God Himself = “axle 3”.

What is the Meaning of the Tires?

This is what Ernie saw in his dream: the tires as big as a three-story building, three aside of the other on one axle. Only the front tires are supported by three axles.

The HSL Code has Two Columns!

Spring Feasts

Autumn Feasts

Year	Spring1	Spring2		Autumn1	Autumn2	Code
1918	N2	N1				N2N1
1919		N3		T1		N3T1
1920					T2	T2
1921	N1					N1
1922		N2		T1		N2T1
1923		N3			T1	N3T1

How were the Feasts Determined?

As we have seen in the other articles of the shadow series, the spring feasts began in the first Jewish month and the fall festivals in the seventh Jewish month.

The months were determined by the new crescent moon marking the beginning of each month.

The first column of the code shows the spring festivals which fall upon a Seventh-day Sabbath (High Sabbaths as in John 19:31) and depend on the **first new moon** after the vernal equinox and the barley harvest.

The second column of the code are the autumn festivals that are fulfilled on Seventh-day Sabbaths (High Sabbaths as in John 19:31) and depend on the **seventh new moon** after the vernal equinox and the barley harvest.

The Beginning of the Feasts According to the Moon

The first feast of spring began with a full moon: Passover

The first feast of autumn began with a new moon (FC): the Feast of Trumpets.

The two phases of the moon are in opposite places in relation to the sun and the Earth just as the code is organized.

Year	Spring1	Spring2	Autumn1	Autumn2	Code
1918	N2	N1			N2N1
1919		N3	T1		N3T1
1920				T2	T2
1921	N1				N1
1922		N2	T1		N2T1
1923		N3		T1	N3T1

The Vessel and its 48 Tires

The new moons (FC) of Trumpets (first autumn festival) are the 24 tires on one side of the vessel. Ernie did not see those tires because they are dark, but he knew that they were there (original version of the dream).

The Passover full moons (first festival of spring) are the 24 tires on the side of the vessel that Ernie saw. They were shining brightly (original version of the dream).

Now we even understand Rev. 12:1 more fully

- *And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: (Revelation 12:1)*

The vessel of Ernie Knoll is the woman of Revelation 12, the Adventist Church, and has the moons of each season under her “feet”:

- *Drawing their attention way up on the side of the vessel, I point out lettering that is large and deeply engraved. Once filled with 24-carat gold, the letters are now empty cavities that spell out **“Seventh-day Adventist Church.”***

The number 24 (carat) is an allegory to the duration of each season of the Church on average: 24 years.

Why Didn't Ernie See the Last Three years?

Year	Spring1	Spring2	Autumn1	Autumn2	Code
1888	N3	N1			N3N1
1889				T1	T1
1890	N1			T2	N1T2
2013	N3	N1			N3N1
2014			T1		T1
2015	N1			T2	N1T2

The dream was dreamt while the judgment of the dead still was going on. The angel (Jesus) in Revelation 10 was swearing to the Adventist Church for the time of the judgment of the dead:

- *And sware by him that liveth for ever and ever, who created heaven, and the things that therein are, and the earth, and the things that therein are, and the sea, and the things which are therein, **that there should be time no longer**: (Revelation 10:6)*

Just the Fourth Angel Brings “Power”

- Angels were sent to aid the mighty angel from heaven, and I heard voices which seemed to sound everywhere, "Come out of her, My people, that ye be not partakers of her sins, and that ye receive not of her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities." **This message [the message of the Fourth Angel] seemed to be an addition to the third message, joining it as the midnight cry joined the second angel's message in 1844.** The glory of God rested upon the patient, waiting saints, and they fearlessly gave the last solemn warning, proclaiming the fall of Babylon and calling upon God's people to come out of her that they might escape her fearful doom. {EW 277.2}

The Fourth Angel brings back the midnight cry. Ernie Knoll was still bound to the oath of Jesus with one hand. But the Fourth Angel of Revelation 18 who represents the Judgment of the Living is not under this oath and thus adds to the message of the third angel the POWER to know the times and seasons...

- **This was the midnight cry, which was to give power to the second angel's message.** Angels were sent from heaven to arouse the discouraged saints and prepare them for the great work before them. The most talented men were not the first to receive this message. Angels were sent to the humble, devoted ones, and constrained them to raise the cry, "Behold, the Bridegroom cometh; go ye out to meet Him!" Those entrusted with the cry made haste, and in the power of the Holy Spirit sounded the message, and aroused their discouraged brethren. This work did not stand in the wisdom and learning of men, but in the power of God, and His saints who heard the cry could not resist it. **The most spiritual received this message first, and those who had formerly led in the work were the last to receive and help swell the cry, "Behold, the Bridegroom cometh; go ye out to meet Him!"** {EW 238.2}

Wake up, the storm is upon us!

He which testifieth
these things saith,
Surely I come
quickly. Amen. **Even
so, come, Lord Jesus.**

May the grace of our
Lord Jesus Christ *be*
with you all.

Amen.
